PUPPY HOLDING FEE AGREEMENT

Date: _____

I, _____ hereby agree that I have personally selected puppy that is identified as _____

and have paid the holding fee amount of _____

with any extra conditions to my selection listed here:

I understand that puppy holding fees are NON-REFUNDABLE. Should buyer no longer wish to obtain identified puppy, no amount of holding fee will be returned. Buyer may, at seller's discretion, apply the holding fee to a replacement puppy from an upcoming litter. Buyer understands and agrees that if they cannot be contacted/miss scheduled appointments to select a puppy their guarantee of litter 'pick' (first pick male, third pick female, etc.) will be nullified.

Should puppy become unavailable or unfit for sale due to health reasons (or other such circumstances) seller will offer buyer two options: (1) return holding fee in full OR (2) apply holding fee to a replacement puppy, if available, or a puppy from an upcoming litter.
